Substance Announced For Christian Science Sermon

That human needs are abundantly supplied through a recognition of the enduring qualities of God is revealed in the Sunday Bible Lesson on "Substance" in all Christian Science churches.

This statement from the Psalms (104:31) is the Golden Text: "The glory of the Lord shall endure for ever; the Lord shall rejoice in his works." In II Corinthians Paul gave this assurance: "God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work" (9:8). Selections from "Science and

Health with Key to the Scriptures" by Mary Baker Eddy include: "In divine Science, where prayers are mental, all may avail themselves of God as a very present help in trouble." "Love is impartial and universal in its adaptation and bestowals" (p. 12).

Michael Paisley makes lending a friendly business

This is the friendly manager of the local Personal Finance Company office. Even though lending money to folks here in Torrance is his full-time job, he believes that no one should borrow unnecessarily. But when a loan is to a person's advantage, he likes to provide folks here with needed cash promptly and privately.

He gets a lot of satisfaction out of his job, for the service he renders is a helpful one. And there's no "doing-you-a-favor" attitude. He makes borrowing money a simple, friendly transaction. He makes loans to men and women both single and married, and everything is kept strictly private. No outsiders are involved. He arranges convenient monthly payments to fit every budget and charges are made only for the actual time the money is kept.

If you decide that a loan is to your advantage, be sure to come to see the Manager of the Personal Finance Company today. If you phone in advance, he will make all arrangements so that when approved all you have to do is sign and pick up the cash. Or, if that's inconvenient, phone or write and he'll tell you how to get your loan entirely by mail.
